

Embedded Notes

Assignment

Send a specification document (1 page) to the professors, stating:

- which OS we are evaluating
- which features are we going to evaluate
- how are we going to implement this

Support information will probably be uploaded to Moodle.

Exams

- TBD by FEUP
- start of May, end of confinement
- June, regular exam if possible, if not, will work something out with the student

Groups / Going forward

Split students in 20 groups

- 5x2 on Monday, each group of 5 will be in parallel with each professor
- 5x2 on Tuesday

20 minutes for each group for questions, etc.

All of the above, starting in the beginning of May.
